Aerial View of Georgia Institute of Technology, Atlanta, Ga.
K4433

LL13486

This aerial view shows the $20,000,000.00 plant of the Georgia Institute of Technology on its approximately 140 acre campus in the center of Atlanta. This Institute, a unit of the University of Georgia System, is the third largest engineering college in the nation and the home of the famous "Yellow Jackets." The 6,000 students enrolled come from all parts of the United States and many foreign countries.
